## News from the Learning Centers

### Earth Month Teen Video Contest Awards

Kudos to **Kaiser** videographers! Kaiser High Learning Center students took first place and Best-in-Show at the recent Earth Month Teen Video Contest Awards. For first place in the Nutrients category, congratulations to Ishay Craig, Ariel Thomas, Melina Zamalloa, Raiana Mendonca, and Moisselle Roberts for their piece, "Animal Theatre." They won \$250 for their video class.

For Best in Show winners, congrats to: Thierry Nguyen, Adam Kostylo, Conor Malis, Minje Chung, and Mike Kim, for their PSA "Ground Cover for the Land," in which Adam and Conor sing lyrics to a song that they composed. Kaimana Baricuatro, Kelsea Bauman, and Nicky Nelson also helped with the project. They won \$1,000 for their video class.

The students' PSAs will be on public display at the Mauka-to-Makai Earth Day Expo, Wakiki Aquarium, on Saturday, April 11, from 9:00 a.m. to 4:30 p.m. Mayor Mufi Hanneman will announce the winners at 12 noon. The videos also will air on KHON2, KGMB, and KITV in April. All videos can also be viewed on the City's clean water website, [www.cleanwaterhonolulu.com](http://www.cleanwaterhonolulu.com).

**Congratulations to all the students, judges and teachers that participated in**

**The 5th Annual Speech Festival**

**Sponsored by the World Languages Learning Center at Moanalua High School, over 800 students and 70 judges gathered on Saturday, March 7, 2009 from 9:00am-12:30pm in the Moanalua High School Cafeteria.**

**Waialua Learning Center Robotics Team is competing at the Hawaii Regional Competition on March 26-28, 2009.**
